

Your contractor is a member of CoRC

This means you & your contractor have access to a deposit & guarantee protection policy.

Say the worst happens... You pay a deposit and then the company ceases trading before completing the work.

Don't worry...

Your deposit and any guarantee for the project can be fully protected for as little as £30.

For added peace of mind we deal only with accredited contractors, removing the risks associated with home improvements.

The benefits to you under the CoRC scheme.....

- Your home improvement project can be guaranteed (for up to 20 years)
- Deposit is Safeguarded (from the start)
- If the Company ceases trading, the project is still completed (so you're not left out of pocket)
